**HOMEOWNERS ASSOCIATION**

Well the Winter Season is fast coming to an end here in Holiday Park. We "Snow Birds" that are still here will be heading North very soon. **BOY WILL WE BE MISSED!**

So, March was another whirlwind of a month, States and Canada Days, Music by The Pool, Dinners, Dances, Men's Club picnic, Just Us Girls bus trips, Comedy/Magic Show (and what a show it was), Nite At the Races (another wonderful night at Holiday Park), CPR and Defibrillator Class (very well attended), Trustee and HOA meetings plus all the regular daily activities. What a great place to live! I believe we had another successful Season. How blessed we are to be here living amongst so many wonderful caring people.

Since it is the end of the "Season", it is the appropriate time to thank every person that volunteers their time to make sure all our activities continue to take place here. Each and every one of you is very much appreciated. We will be looking for a few new volunteers to come forward as some of our current long-time volunteers will be stepping down or have already done so for a much-needed break. One of the events that

needs a volunteer to be the MC is the Annual Tree Lighting Ceremony in November. Please let me know if this is something you would like to do. As you may recall, this position was filled by Brent Corey and he has moved from Holiday Park. Some retiring volunteers have already, made arrangements to have someone replace them. I will keep you posted when/if positions need filling as I am made aware of them.

Upcoming events in April will be Hog Races, Pizza/Dance Party, Pot Luck Dinner and one or two others. See more information in this Newsletter.

Safe travels North, enjoy your family and friends and come back safely to Holiday Park next Fall/Winter to be with this family waiting here for your return.

And yet another new scam: if you receive an envelope from FedEx with a check and you have no idea where it came from be careful, if you call the number on the check it is a disconnected number. The group that it says it is from is based out of Toledo. The check says it is from Huntington Bank. Upon calling the bank a lady said that people are doing this in the hopes of getting your account information from you when you deposit the check. Don't ever cash a check that you have no idea who or where it came from. BE CAREFUL. How do they keep coming up with new scams all the time? Unbelievable!

**THOUGHT FOR THE DAY:** *To be kind is more important than to be right. Many times, what people need is Not a brilliant mind that speaks but a Special Heart that listens.*

See you around the Park.

**Mary Margaret Bryant,**

President of Holiday Park HOA

—Board of Trustees—

The Board is faced with a number of decisions which it must make prior to the summer break. The last Board meeting takes place the first week of May, and it does not reconvene until October. In the meantime, the contract providing Park employee health insurance expires in September, so the Board must approve a new health benefits package before adjourning for the season. We will be soliciting and considering bids during April.

Secondly, the Board will consider major projects to be accomplished during summer. This year, the renovation of Phase 2 building is on the agenda, with treatment similar to that of the ceramics building--removal of the brown shingled walls to be replaced with stucco concrete and split stone. Underneath all that roofing is electrical conduit which must be rerouted and hidden.

Some have asked what the Park's master plan for capital improvement looks like. Several years ago, we had meetings with residents to let us know what they wanted Holiday Park to look like in 5 to 10 years. We took all the ideas and formed a Capital Improvement Committee of residents who prioritized the list of projects. That list was then approved by the Board of Trustees.

First on the list was a fitness center. That's done. Next was the renovation of the three major buildings, ceramics, Ph 1 and Ph 2. The PH 2 building is next to be renovated, followed by a major renovation of Ph 1 next year, including the building interior. We are planning for the three buildings to be completed by the Park's 50th anniversary in 2021.

Following those projects was replacing the mile and one-half chain-link fence with a wrought iron (actually aluminum) fence and building a picnic pavilion. Those projects will move

up the list as others are completed. The Ph 1 renovation will be the most expensive, probably costing several hundred thousand dollars.

Another item on the agenda for April will be consideration of extension of the management contract with Tess Schofield. Her contract runs out in October 2019, so it's only fair to her and the Park to consider extending it well before that date arrives.

In the meantime, please enjoy this beautiful weather and continue to pity those "up north".

As always, you can find me at the deep end of the pool.

**Dick Gertz,**

Chairman, Board of Trustees

### BICYCLE REGULATIONS

Note for residents in Holiday Park. Two items from the 55 Alive Driving Class that are especially pertinent in Holiday Park. Golf carts and bikers must follow the same rules as cars. Golf carts and Bikers must ride on the right side of the road at all times. A 3-foot clearance between each vehicle. Also, all cars going by or around bikers must leave a 3-foot clearance. Please keep this in mind when traveling in Holiday Park. A simple test in your own driveway, is to layout something the height of a biker or vehicle and sit behind the wheel of your car.

### ACC PERMITS

The Rules and Regulations are designed to maintain the integrity and esthetic value of Holiday Park. We as a committee are here to help maintain this process.

Permits are reviewed on the first and third Friday of each month. These meetings are open to all residents. Depending on what your permit is for, you might want to attend in case there are questions the committee might have. When the permits are approved by the Committee, the office will stamp with a statement and phone number to contact the city of North Port for any permit requirements. You will also sign the permit and initial the stamped portion acknowledging you understand the rules and regulations of the ACC. If you fail to contact the city, you are subject to removal of any and all of the work being done. Also, you may be subject to a fine and possible court appearance. With all the new coaches being built in our park, the inspectors are in the park quite frequently.

When filling out the permits, it is required to submit a detailed drawing of the project, including all property lines and all measurements. A plot Plan and/or up to date survey would be helpful and the survey may even be required. When the project is complete, we ask that you turn the permit back into the office to be kept in your file.

We as a committee are here to help answer any and all questions in regards to how you want to improve your property. You may obtain a copy of the ACC Rules and Regulations along with a two-sided permit in the office or on the Holiday Park website under deed restrictions. The permit being on one side and graphed side on the other to help with your drawing if project requires one.

Trustee

### MEN'S CLUB SHED

The Men's Club shed in PH 2 will be open, starting in May, Monday mornings ONLY, from 9 am till 12 pm for small item sales. To donate large items as in furniture please call the Men's Club for pick up.

Please DO NOT leave ANY items by the PH 2 shed doors after regular days and hours the shed is open! The Men's club

doesn't want your broken, rusty junk items that we cannot resell. The North Port city trash pickup system allows for TWO FREE pickups per year. Please utilize this system instead of the midnight drop-offs of trash we have to deal with frequently. Thank You for understanding.

A special thanks to our bus bingo girls Connie Prendergast and Vera Colin. They do a great job keeping the money organized and making big payoffs. We have had some very lucky winners! They sure were happy!

Also, my thanks to Sue West, Jeanie Bridges and Leonne Bombardier for selling our Raffle tickets and giving all the money back in "special envelopes" to 4 lucky winners. That was fun!

A special thank you to my co-chairman Carole Barry for all her help on our trips. We had some new members join us this year and it was a pleasure to have them experience our day trips.

By the time you read this, I would have been to Broadway Palms to see the 2020 Preview.

## HOLIDAY PARK FRIENDS AND FAMILY CRUISE

Come join your friends and neighbors on an 11-night Southern Caribbean cruise aboard Royal Caribbean's Serenade of the Seas. Departing on March 2, 2020 and returning March 13, 2020.

We will be departing from Ft. Lauderdale, Florida and visiting the ports of Puerto Limon, Costa Rica; Colon, Panama; Cartagena, Columbia; Aruba and Curacao with 4 additional nights at sea.

If you have ever wanted to see the Panama Canal this could be your opportunity. We will not be cruising through the canal, but a side tour does allow you to view the locks in operation and watch the ships as they pass by. Several have told me it was more interesting to see the locks in operation from the ground than it was to be on a ship.

Pricing starts as low as \$1,390 per person for an inside cabin. Ocean view at \$1,530 per person and Balcony at \$2,225 per person. Price may vary based on the cabin you chose. These prices include all taxes, fees, insurance and gratuities. If you are a past cruiser with Royal Caribbean, additional discounts may apply. Space on this ship is selling out quickly so do not wait to book.

You are welcome to invite friends and family outside the park. If there are enough participants, we will arrange for a bus to take us to and from the port at an additional cost.

For more information, please contact Yvonne Warner by

calling 734-776-6592 or e-mail - yvonnewarner@sbcglobal.net  
Bon Voyage!

## FOOD BANK

## BOCCE

What is BOCCE? A game of luck or a game of skill. It begins with luck and turns to skill the more one plays. Bocce

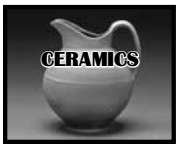

is an easy game to learn and difficult to play well all the time! There are 4 players on each team, 2 at one end of the court and their 2 team members at the other end. They are red and green. A coin is flipped to see who goes first and what color they choose. RED TEAM: Ann, Bob, Carl, & David are playing against the GREEN TEAM of Ed, Frank, Gloria & Helen. Ann rolls the palena & the first red ball. Now its Ed's turn and he rolls the first green ball. Its Bob's turn to roll his red ball to try to get closer to the palena or knock Ed's green ball out. Back & forth until the last ball is thrown. Here is where luck & strategy come into play. The last ball wants to roll & get closer to the palena OR roll the last ball to get the closest out of the way. The referee will then rule who is closest to the palena & what color they are. Points are posted & all 8 balls are at the other end of the court for the RED TEAM of Carol & David & GREEN TEAM of Gloria & Helen to roll. Confused yet?

Come to the Bocce Courts Monday thru Friday between 9 & 10:30 am, to watch & see how the game is played. If the teams on the courts aren't full you can try your hand at playing. If you'd rather watch a time or two, that's fine too. You are welcomed to come over any time after play and take the balls off the rack and play by yourself or with others.

The Bocce Club has a Travel League that plays on Saturday mornings from January thru March. Our club plays Harbor Cove, La Casa, & Venice Isles both here and at their clubs. The schedule is posted on our bulletin board.

Instructional Clinics will be offered every Wednesday at 1 pm.

Come over to the courts, see what all the yelling, cheering & laughing is all about & become a member!

**CERAMICS**

We will meet every Friday from 1 to 4 pm beginning January 4th in the ceramic room in PH 2 next to the pool. I am looking forward to seeing everyone and hope to see some new faces. We do have fun while showing our creativity and talent. We offer supplies for those who wish to try it out. If you have any questions I can be reached @ 423-8274. See you January 4th.

**Rosanne Richard**

**COMPUTER CLUB**

The Computer Club is looking for new and interesting people. We realize you are out of the work force now and want to play, but we need people that are interested in learning new things on the computer, or helping us older generation with what you know about computers. Our meetings, are the second and fourth Tuesday of each month. One does not need to be a member to attend these meetings. We have interesting speakers and facts each and every-one needs to know, I always come away learning something, I have forgotten or never knew. The computers have changed so much so there is always something to learn. The club is dwindling, so if it is to survive, we need people!

**Club Sec., Judy Hord**

**BEGINNERS COMPUTER CLASS**

**COUNTRY PARTNER DANCING**

If you like country music and have a partner to dance with, come to Country Partner Dance lessons. Tuesdays 3 – 5 pm, PH 1. Every Tuesday, January – April 9th. Learn some pattern steps to country music because dancing makes you Smarter and Healthier.

Dancing reduces stress and depression, increases energy and serotonin, improves flexibility, strength, balance, endurance, strengthens bones, boosts cardiovascular health, increases mental capacity by exercising our cognitive process, and increases dynamic rapid-fire decision making as it creates new neural paths in the brain. And it's fun! Find a partner, male or female and join us on Tuesdays.

Wear comfortable smooth soled shoes, it is hard to dance in flip flops.

**Jan & Dave Baker 508-758-2049**

**CRIBBAGE**

Cribbage will be played on Thursdays from 1pm till 3 pm in the Ph 2 Activity Room. Any player from beginner on up is welcome to play.

**Bill Delorey 423-2256**

**MODERN LINE DANCING**

Sheila Terry has been keeping the line dancers busy with reviews, and a few new teaches. Yvonne Warner and Carolyn Olds have had a hand in keeping things organized, and playing the music for the group. Lessons are on Thursday afternoons, from 1:00 p.m. to 2:30 p.m. in the Main Hall. A fair amount of new people has joined this year, and continue to return to the class.

Music for the dances is a wide variety of genres – modern, contemporary, Latin, rock and roll, country, R&B, and sometimes even opera. Variety for all! Lessons continue until April 18th, 2019, which will be the last class for this season. So, if you missed out joining this year, please keep in mind lessons for next season. Next season we will be back to our regular Tuesday class, with the veterans (those who have been dancing with Carol over several years), as well as a class for newbies and/or those who wish to take the lessons at a slower pace. More will be posted in the Newsletter in December, 2019. As well, we would like to see more men join the group. What dance group is complete without having the men to join in??

Have a wonderful summer, and hope to see you all next season!

For contact info, please call **Yvonne Warner at 734-776-6592** and **Sheila Terry at 614.946.9895**

**WOMEN'S GOLF**

We are approaching the end of another fun golf year. Soon many of us will be heading back to the homes from which we originated. We have played some great golf, shared a lot of laughs and endured various weather elements such as wind and cold. We have also played a variety of games and I think that everyone would agree that it was really fun.

We will end the year by having our annual Spring luncheon at Olde' World on Tuesday, April 2, directly after golf. If you are a member of our Holiday Park Golf League and wish to attend the luncheon but do not wish to play golf that day, please know that you are always welcome.

I have been honored to be in charge of this league for the past two years and would love for someone else to take over this position for next year. Please send me an email at [nanack@comcast.net](mailto:nanack@comcast.net) and we can get this initiated.

Anyone wishing to join our league is welcome for a small fee of \$10. We play on Tuesday mornings around 7:45 beginning the first week of November of each year.

Everyone have a safe trip. Looking forward to seeing all of you in the Fall. Thank you to everyone!

### PICKLE BALL

February was a busy time for the Pickleball folks with the Olympics, a club tournament & social, as well as some inter-park play with Harbor Cove. March is starting quietly but will go out with a bang as we have a club tournament, silent auction, and a joint dinner dance with the Tennis Club. Having fun is the goal for all participants.

Activities will start slowing down this month as many snowbirds begin their trek north. We wish you all safe travels and a happy, healthy summer so that we will meet everyone again this fall. Submitted by Carol Clinch.

### PINOCHLE

The card games will be held on Monday's and Fridays from 6:15-9pm in PH 1, throughout the year. Lessons will be available during the first two Monday sessions. All are welcome to join the fun! Any questions?

### TENNIS NEWS

The March meeting began with a smorgasbord breakfast buffet. Kudos to the organizing committee for the lavish spread!

The feast sparked all executive members to offer their unopposed services for another 2-year term, therefore no elections were necessary! Steve Bourne agreed to move from Club VP to President, as Mike Nasalski has assumed an executive position for Holiday Park. Mike will switch duties with Steve and take over as VP. Once Phyllis VanKirk completed the Treasurer's report, upcoming tennis and social events were reviewed. Pudge's 1st Annual Poker Run was a huge success! Prizes were awarded to Jerry Barczykowski, Maureen White and Judy McClennan. A Ladies' Tennis Tourney was held on March 27th, followed by a healthy salad bar. Fun time!

The April Fools Tennis Tourney will be held on April 6th, prior to Beer 'n Brats. April's tennis meeting will take place one week later, on Saturday, April 13th. All Holiday Park tennis squads reported competitive results for this season. League banquets and awards ceremonies take place in early April. Thanks to all members who competed at the many different levels this season. Special recognition also to the volunteer captains and coordinators who help their teams (and leagues) operate in a smooth, timely fashion! Bravo!

**CANADA DAY CELEBRATION****March 2nd, 2019**

The Canada Day Celebration held March 2nd, 2019 was a huge success! Thank you to all who attended, and hopefully the date for next year (tentatively March 15th, 2020) will fit peoples calendar better. Once the date has been confirmed, then all Canadians will be notified. Potluck dinner was very appetizing, and people enjoyed the variety of dishes made. The Committee decided to have potluck and dance once again next year. The cost will remain the same as it has been since we have started doing this. DJ's – Joan and Vince Gregoire – did a fantastic job keeping everyone on their twinkle toes all evening!

Winners of the most unique Canadian costumes were Vera Herelle and John Imrie, selected by the DJ's. The photo frame was enjoyed by all, and will be set up once again next year, for people to take advantage of. Thank you to Gord Smith and others for the wonderful prizes donated. With these donations along with prizes and gifts supplied by the Committee and others, lots of attendees went home happy!!

Mark your calendars tentatively for next season! Have a wonderful summer, and see you all next year!
