HOMEOWNERS ASSOCIATION

Greetings Friends & Neighbors:

Didn't I just write my article? Well, it seems that way! Last month I referred to a

popular movie that was released in October of 1990. If you read last month's newsletter, you'll recall that I referred to the line used by the main character, played by Patrick Swayze, who responded "Ditto" when Molly, Demi Moore, said she loved Sam. Well, this character is saying "Ditto" again this month. Unfortunately, COVID-19 has managed to restrict our socializing in Holiday Park. In my opinion that is OK because it is keeping us all safe and more importantly healthy.

I would like to take this opportunity to say "THANK YOU" to Brett Mounsey, Men's Club President, and his crew of volunteers, for making Holiday Park look so good for the July 4th Celebration. The Men's Club is responsible for the placement, removal, and maintenance of the American Flags displayed along Tuscola Blvd. and Holiday Park Blvd., during special holidays.

When I sat down to write this article, I honestly attempted to keep the content at a positive, and occasionally, light level. I will be the first to acknowledge that, that is not the case for this month! Regrettably, I believe that certain topics need to be openly and honestly addressed.

I want to take this opportunity to say "Thank You" to the Beautification Committee, and the volunteers that have been working with Beautification, to enhance the natural beauty of Holiday Park. I hope you have had an opportunity to observe the new, rather large, blue ceramic pots, purchased by the HOA. This is an ongoing project of your HOA, in cooperation with our Park Manager, to enhance Holiday Parks appearance. The new ceramic pots are in the area in front of the Phase 1 hall where the flagpole is located. Earlier I said that "I honestly attempt to keep the content of this newsletter at a positive,

and occasionally, light level."

Unfortunately, this is where I deviate from that philosophy! In the same area, referenced above, on either side of the doors to the Club House/Phase 1 Building there are two (2) rather large urns. The Beautification Committee purchased flowers to place in those urns for ALL to enjoy. Regretfully I must tell you that an unknown individual decided to remove two of the freshly placed plants for, I assume, his or her own personal use and pleasure! To that individual I say, in the future if you need flowers to plant in YOUR flower bed, do what the HOA, and most residence of the Park do, PURCHASE YOUR OWN! If you need more plants to brighten your Coach, I would be happy to buy them for you if you just leave the HOA's plantings alone. They are not there for you to take!!

Before I leave the Beautification Committee, I'd like to ask you a question or two or maybe more! Do you enjoy playing in the dirt? Do you enjoy the company of friendly volunteers? Do you enjoy the beauty of nature and the plants and flowers found there? Well the Beautification Committee is looking for YOU! All that is necessary is a love of nature and

gardening and a phone call to Leonne Bombardier at 941-423-2320! It is that easy! Go ahead, give it a try! Thank You! You will not regret it.

I would also like to take this opportunity to say "Thank You" to Doug Boughton for his handling of Holiday Parks Logo items. Doug is leaving Holiday Park after the passing of his wife, Jean, so he can be closer to his family. We wish you well.

Speaking of Logo items, the following will be available for purchase at the Men's Club Shed on Monday's for the remainder of the summer. The prices are listed as follows: "SIZE-REGULAR PRICE/SALE PRICE". Thank you to Brett, the Men's Club and the "Ladies" who agreed to assume the extra work.

Have you noticed that I have not said a single word about those individuals who reside in Holiday Park that simply cannot remember that the Park has NOT changed the speed limit from the current 15 MPH! See, I can remain positive! (At least I'm trying!)

Finally, one more unpleasant word for thought. I have received complaints regarding certain dog owners, who walk their pets and forget to bring a baggie to bring "Fido's Gift" home for disposal. I am sure it is an oversight, but PLEASE be more considerate of your neighbor's and do your part to keep "OUR" Park clean! Thank You!!

Here is a final thought for your consideration:

"If you act like a child, you should expect to be treated as a child. If you act like an adult, you should expect to be treated as an adult." - **Anonymous**

Wishing you Peace and Continued Good Health,
John E. Rabideau, President, HOA

BOARD OF TRUSTEES

—Board of Trustees—

The Board of Trustees will hold a special meeting on Friday, July 31st to consider, among other issues, a contract for removal and replacement of the PH 2 pool coping. Pavers on the coping are coming loose and soon may be dangerous. The plan is to remove the pavers and build a new coping and apron around the pool with filled travertine marble. This is the latest technology for community pools and is approved by the Florida Department of Health. When work begins, the pool may be closed for a week or so. Other items may include a contract to re-landscape the front entrance to the Park at Tamiami and Tuscola.

The meeting will take place following the Trustee's annual review of the Florida Sunshine Law, which is required by our by-laws. Training will take place on the Zoom platform on-line at 10 am and will be led by Legal Counsel Andrew Cohen. Residents are encouraged to attend. The Trustee meeting will also take place during the same Zoom session, beginning at approximately 10:30 am. The link and password for the training and meeting is listed elsewhere in this newsletter. Again, your participation is encouraged.

Work on the PH 2 building has been delayed by the illness

of Bernie Mullen, our head of maintenance, who is expected back to work in early August. Considering the amount of work for the two remaining maintenance staff members, we have decided to contract out the PH 2 building exterior renovation. The renovation will be accomplished within the budget established by the Board and will be paid from reserved funds.

The City of North Port continues to replace water laterals and meters in front of many of our homes. This is at no cost to homeowners, but be aware that when the Water Department is working in your neighborhood, you may suffer loss of water pressure for about fifteen minutes at a time, and have air and rust in your lines. The Department tells us that there is no health hazard, however if they are working in your neighborhood, you may wish to delay washing clothes.

Like a broken record, but necessary for the health and safety of us all, please follow all the posted guidelines for use of the court facilities, pools, laundry, Men's Club Boutique and office visits. The majority of our residents comply which helps to keep us all safe, but a few ornery scowflaws insist on making up their own rules. Those residents are jeopardizing the health and right of all residents to use the facilities, because if violations continue to occur, and especially due to the resurgence of the virus in Florida, trustees and management will have no choice but to close the facilities.

I'm the guy at the deep end of the pool wearing a mask! Have a great summer.

Dick Gortz, Chairman

FYI

Water Line Construction. North Port Utilities has notified us that they will be working in Holiday Park throughout the summer months replacing lateral water pipes, that is the pipe which runs from the water main to the water meter in front of your coach. These old galvanized pipes are beyond their life expectancy and have been breaking throughout the Park. New water meters are also being installed. Each home may be out of water for about 20 minutes while the connection is made. There is no additional cost to Holiday Park or homeowners for this replacement.

HURRICANE INFO

To all residents that are medically-dependent residing in Holiday Park during hurricane season. Please contact Sarasota County and apply NOW for registration as a medically-dependent person (MDP). Examples are use of oxygen or medical equipment that requires electricity. It is important to apply in advance for this program so, if qualified, you will be on the county's registry for transportation and sheltering at a medically-dependent Evacuation Center during a disaster. Pre-registration is required. To apply or for more information visit scgov.net and search for medical needs or call 941-861-5000.

District Manager, Tess Schofield

June 1st - November 30th IS HURRICANE SEASON...

ARE YOU READY?

By John E. Rabideau

We are all aware that the Hurricane Season began on June 1st and will run through November 30th. Since we all reside in a mobile home, we need to be extra vigilant when a hurricane is fast approaching. There are several things to keep in mind.

Mobile Home residents should NEVER stay inside a mobile home to ride out a hurricane. Mobile home residents MUST evacuate for any hurricane order given in the county, regardless of location within the county.

At-Home Healthcare & Homebound Patients should tell their home health agency and oxygen company where they

will be during a hurricane. Ask them about their plans to provide care. If you are homebound, but not under the care of a home health agency, contact your physician to determine your best plan of action.

If you do evacuate, remember to take your medications, written instructions regarding your care, any special equipment you will require as well as your bedding with you.

If you will need assistance in an evacuation or need to go to a special needs/medically dependent shelter/evacuation center, please register with Sarasota County's emergency management agency now.

These are but a few of the steps you should take to keep you and yours safe during a hurricane. For more specific information check with Holiday Parks office to see if they have any more All-Hazards Disaster Planning Guide, The official guide for Sarasota County. Are you ready? The preceding information was obtained from the All-Hazard Disaster Planning Guide.

NOTICE TO RESIDENTS

If you have had changes with your address, please update this information in the office. We have had several mailings over the months and mail has been returned to us with no forwarding address. It is also necessary to update your phone number if you have had any changes. Thank you:)

Tess Schofield, Park Manager

BICYCLE REGULATIONS

Note for residents in Holiday Park: Two items from the 55 Alive Driving Class that are especially pertinent in Holiday Park. GOLF CARTS AND BIKERS MUST FOLLOW THE SAME RULES AS CARS. GOLF CARTS AND BIKERS MUST RIDE ON THE RIGHT SIDE OF THE ROAD AT ALL TIMES. A 3-foot clearance between each vehicle. Also, all cars going by or around bikers must leave a 3-foot clearance. Please keep this in mind when traveling in Holiday Park. A simple test in your own driveway, is to layout something the height of a biker or vehicle and sit behind the wheel of your car.

MEN'S CLUB INFORMATION

The Men's Club Shed/Boutique reopened Jun. 8th from 9 am-12 pm, under limited conditions. During the Covid-19 pandemic recovery, the building will be open on Monday's from 9 am until 12 pm and will be required to adhere to Florida's official phased reopening guidelines. This means that there are some changes you will experience the next time you visit the Men's Club Shed and Boutique.

ALL customers must wear a personal MASK, Capacity Limited to (5) Individuals

Maintain 6' between individuals, Use Sanitizer before handling items, Limit your indoor time

Drop your Sanitized Donations in designated areas only. *We can't accept upholstered or fabric materials at this time. We would like to thank everyone ahead of time for your patience and consideration as we work our way through a safe restoration of Men's Club activities.

PLEASE DO NOT LEAVE ANY ITEMS by the PH 2 Boutique doors AFTER regular days and hours the shed is open! The Men's club doesn't want your broken, rusty junk items that we cannot resell. The North Port city trash pickup system allows for TWO FREE pickups per year. Please utilize this system instead of the midnight drop-offs of items that sometimes are trash, we

must deal with frequently. Thank You for understanding.

PHOTO DIRECTORY

Thought you might like an update on what is going on with our Photo Directory. As you might guess Life Touch (The company that took the photos) is not providing an essential service during this pandemic. Therefore, I cannot even begin to guess when work will start on getting the proofs to me. Once I receive them and review everything then it goes back to them to print.

Anyone who ordered photos, when Life Touch is producing again you should receive your order. All residents that are waiting on your free 8x10 those will be sent to the office and a notice will be on the Tuscola sign. Thank you for your understanding in this matter.

Hope you are all doing well with our "new normal". Stay safe and healthy.

Mary Margaret, Photo Directory Coordinator.

CHRISTMAS CRAFT FAIR

Thought since we are all in lock down all over the Country, I would give you something to do with your spare time. Our Annual Christmas Fair will be taking place on Sunday, November 22, 2020. I had several people ask if we could have it in November so I am trying to please everyone. Hopefully this works well for all. There will more information as the time is closer. Just a wee bit of my thoughts relative to our "normal living" - try to find something to smile (or even laugh) at every day. It helps.

HAND (A Holiday Park Organization)

Helping Hand will drive you to get groceries, to the pharmacy and to your doctor appointment. For individuals who no longer drive, this is a special service for you as well. Remember, they are volunteers who have limited time. Please call 48 hours before you need a ride. This allows individuals to work their schedule around your needs. We will gladly help any residents, but remember we need notice. We also have medical equipment such as walkers, shower chairs, etc., available for our residents to meet your needs. All the Helping Hand phone numbers are in the Holiday Park newsletter.

SOCIAL SERVICES AVAILABLE

The City of North Port is unique in that it has its own Social Services Division. This past year, the division assisted more than 1,000 people, through financial, rental, utility, and other services.

If you, or someone you know, needs a little extra help, consider reaching out. You can reach the division at 941-429-3700. Another option is to stop by the Family Service Center, 6919 Outreach Way, to visit in person. Their kind and accepting staff will be waiting to assist you.

For more information, head to [CityofNorthPort.com/Social Services](http://CityofNorthPort.com/SocialServices).

MEMORIAL BRICKS

We are selling bricks for the Memorial Pathway. The cost is \$50 for three lines with 16 letters in each line. If you want to see what they look like, stop by the pathway to the Gazebo and see what is already there. They don't have to be a memorial for someone. All you should do is stop by the office and pick up a form, fill it out and make a check payable to the HOA and give them to one of ladies in the office. Any questions, please call or see **Frank Lampe @ 941-423-7457**.
