GREETINGS FROM THE DISTRICT MANAGER

Hello, Holiday Park Residents!

It is wonderful to welcome our returning resident's home as we begin another exciting season at Holiday Park!

Our staff has been busy completing projects, refreshing community spaces, and continuing improvements throughout the district. There is a great deal of positive activity underway, and I am excited to share some of our latest updates with you.

Stormwater Drainage and Catch Basins

Our stormwater drainage improvement project continues to move forward, with this phase scheduled to be completed by September 30, 2026. We sincerely appreciate everyone's patience and cooperation during the temporary road closures and construction activity. These important improvements will support the long-term maintenance of our roads and drainage system and help keep our community strong for years to come.

Property Inspections

Community-wide property inspections were completed on August 24, 2026, with 253 violations identified. The District Office continues to work with property owners to address these concerns and bring their property into compliance. A special thank-you goes to the many residents who promptly addressed identified concerns and worked with the District Office to bring their properties into compliance. Your cooperation truly makes a positive difference! As a reminder, owners are required to have a Property Caretaker assigned when away from their home for a period of over one month. Residents should routinely check their homes and lots for weeds, overgrowth, mold, mildew, loose outdoor items, and other maintenance concerns.

Gate Safety

As we welcome more residents back for the season, please remember that bicyclists and pedestrians must use the designated pedestrian gate and should never enter or exit through the vehicle lift-arm gates. Drivers should allow each gate cycle to finish completely and should never follow

another vehicle through the gate. A few extra moments of caution can help keep everyone safe and protect our gate equipment.

Community Improvements

Our staff continues to work hard on improvements throughout Holiday Park. The Phase 2 Card Room has received fresh paint, new ceiling fan and new Florida-inspired artwork. The Multipurpose Room is also in the works to receive a refreshed look. Additional landscaping improvements have been completed in several common areas and cul-de-sacs to include beautiful new plant containers and palm trees in the Phase 2 pool! We look forward to watching the new plants and trees established and enhance the appearance of our community. New pool furniture has now been installed at both pools, and the new Fitness Center equipment is available for residents to enjoy. Please help us protect these community investments by using the equipment and furnishings responsibly and reporting any maintenance concerns to the District Office.

Meeting Schedule

Regular Board of Trustees meetings are held on the second Thursday of each month at 6:00 p.m. Workshop meetings are held on the fourth Tuesday of each month at 9:00 a.m. Meetings take place in the Phase I Main Hall unless otherwise announced. Residents are encouraged to attend and remain informed about District business.

Approved meeting minutes are also available on the District's website.

A Special Thank You

Thank you to our Trustees, residents, committee members, volunteers, and staff for your continued cooperation and dedication to Holiday Park. Many projects are underway, and we appreciate your patience as we work through the required planning, permitting, scheduling, and construction processes. We will continue to provide updates as additional information becomes available. I look forward to another productive season and to seeing our returning residents throughout the community!

Vicky Lawrence, District Manager

THE PRIME TIMERS

Hello Holiday Park friends, my name is Kathy Bock, and I took over the duties of Lynn Leonard as the Triple F Council Person. I only hope I can be half as energetic as Lynn. She was fantastic, and I will still be leaning on her moving forward.

So along with my new duties, one was changing the name. After much input from many of you, we've come up with "The Prime Timers". I hope it sits well with all of you, as we are in the Prime Time of our Life. I love to refer to Holiday Park as "paradise" or sometimes "Summer Camp for Senior's".

A little about me, I am a second generation here in the park. My parents (Al & Dot Mortensen) bought here in the early 80's and were snowbirds until my dad passed away in 1986. Then my mom lived here permanently from then on until 2010. I still live in the home my dad bought her before he died. I moved here full time from PA in October of 2025. I have 4 children and 7 grandchildren. I am truly Blessed.

I am so pleased to be part of this group, I look forward to getting to know each and every one of you. I hope to

contribute, learn from and work well together with all of you! Our first event for October will be the "Harvest Moon" Dance chaired by Gloria Slattery. It will be a fun time!!!

Thank you for Welcoming me

Kathy Bock

IMPORTANT 911 INFORMATION

When calling 911 tell dispatchers that you live in North Port. Calls go into Charlotte County, so it helps them to know your exact location and saves valuable time.

PAVILION COMMITTEE UPDATE

We are currently awaiting final permitting from the City of North Port, and everything continues to progress toward completion. The process has taken longer than initially anticipated because the city required us to submit a site plan amendment, which had to proceed through Planning and Zoning before moving to the Permitting Department. The site plan amendment has now successfully completed the Planning and Zoning review and is currently in the permitting phase.

At the strong recommendation of the Planning and Zoning Department, the Men's Club Storage Building was combined with the Pavilion application. As part of this process, we were required to obtain a site survey for the proposed storage building location. The survey is scheduled for September 24, 2026, which was the earliest available appointment. Once the survey is completed and submitted to the Permitting Department, it should be the final outstanding item needed for the City to issue permits for both the Pavilion and the Men's Club Storage Building. Although the City is unable to provide a firm permit issuance date at this time, our HP District Manager, Vicky, will continue monitoring the process closely and addressing any additional requests promptly.

The positive news is that once permitting is finalized, we should be beyond the rainiest part of the season, which should allow construction and installation to move forward more quickly.

Thank you, Vicky Lawrence, HP District Manager, for this comprehensive report.

Merlin Hopkins, Committee Chair

MEN'S CLUB INFORMATION

“A strong community isn’t built by one person—it’s built by neighbors who care, lend a hand, and come together. When we support one another, we make our community a better place for everyone.”

October brings a change of season and, with it, the return of our snowbirds. The park will soon come alive once again as we welcome back our friends, neighbors, and familiar faces. It's a wonderful time of year in our community—a time to reconnect, catch up with old friends, make new memories, and enjoy all that our park has to offer. On behalf of the Men's Club, we are already looking forward to the 2026/7 season. There are exciting changes in the works for next year, so stay tuned.

Reminder: Men's Club Board Elections

Just a reminder that this is an election year for the Men's Club Board. If you would like to serve as a board member and have ideas or suggestions to help improve our organization, we encourage you to run for a position. Please fill out an election nomination form and have it ready to submit at our next meeting. We appreciate your willingness to get involved and help make our club even better. Thank you!

2026/2027 Picnics & Parking

If you come by golf cart, please park all the way back behind the trees where people have their tables and chairs set up. If you have set your table and chairs near the shuffleboard court, please park alongside the courts.

DO NOT drive golf carts on the pavers in the sidewalks between the parking lot, the shuffleboard court, and the kitchen. Golf cart parking is also available in the designated spaces of the parking lots in front of, and on the side of the club house. This gives the workers room to get from the charcoal grill to the serving tables and to the beverage area. Please do not park in spaces obviously designated for cars. The entry ways will be the same as always—on both sides of the big tree. PLEASE DO NOT ENTER area marked with caution tape. Please abide by the NO PARKING lines. This is important so that there is always access for emergency vehicles if they are needed. It's important to remember that all residential lots of Holiday Park are private property and require permission from the owners if you want to walk across or park on their property

LAWNS

Greetings Neighbors!

The summer lawn care season has been full of challenges – raining weather, wet grass, inability to maintain the swale cleanout processes, and many more so I thank you all for your patience and timely feedback!

Several individuals have asked for clarification on our lawn care costs: Our contract is for mowing, edging, trimming and blowing Phase I and II plus the common/recreational areas a minimum of 32 times a year at a cost of \$268,320. We have 864 properties being assessed resulting in less than \$10 per property owner each service cycle.

Please remove items from your lawn on scheduled lawn care days (hoses, chairs, toys...). The lawn care provider is not responsible for damage to wires, cable, pipes, and other items that are protruding from the ground that are not clearly marked and/or protected.

Remember if you have any property damage as a result of our lawn care practices – please, contact the office with the date, time, how the damage occurs, by whom, and estimated cost to fix the damage. Let's all work together to keep our beautiful community thriving!!

Joni Anderson, Trustee Lawns

We have many new residents and not everyone knows one another. Please wear your NAME BADGE.

Please make sure your home has the proper house numbers on it and make sure they are visible to see.

Please remember the speed limit is 15 mph. This is for any vehicle including a golf cart.

If you have a problem with the gates, please call 941-426-1585. You can call this number after hours and on the weekends.

Thank you. *Debbie Burns*. Trustee Safety
