HOLIDAY PARK ACTIVITIES & RECREATION COUNCIL

Being the new President of HPARC, for those of you who do not know me I would like to share a little bit about myself. I was born and raised in Illinois and worked in the medical field all my life. We moved to Florida in 2000 and lived in the Orlando area. I retired from a Managing Director position of an Independent Living Campus that included an Assisted Living with a secure dementia unit. After retiring in 2013, we moved to Holiday Park. From the beginning both Bob and I volunteered with a variety of park activities. I helped with the summer picnics, the annual Halloween party and am Treasurer for Just Us Girls. I did the newsletter a couple of years before taking on the HOA Treasurer position which I held for two terms. I was 1st Vice President for one season then stepped into the Secretary position till accepting to fulfil John Rabideau's term as President. I only hope that I can do as well as my predecessor. I would like to thank Sharon Schafer for agreeing to take my

place as Secretary. We have an excellent team of volunteers who want to help make Holiday Park a healthy, happy, and fun place to live. On that note, I have been in contact with North Port Emergency Management and have scheduled a presentation on Hurricane Preparedness. It will be held on June 1st at 1pm in the Ph 1 Main Hall. Hope to see you all there.
Sincerely, ***Kathy Bachman***, President HPARC

MESSAGE FROM THE MANAGER'S DECK

If you are not set up in the mobile text/email alert system, please stop by the office and pick up the paperwork. Only sign up for text or email. If you do both it counts as 2 messages when it goes out and we are limited on the number we get.
The speed limit in the community is **15mph**. If you are out walking or riding your bicycle after dark, please have a light with you and turned on so vehicles and others can see you.
The pools and furniture have been power washed, as well as the pool deck. The trim on the pavilions at the pool, shuffleboard, and bocce ball have also been painted. Swimming Pools: So, what is the Best Pool Temperature in South Florida? Here are some communities in our area and the temperature they keep their pool water. Harbor Cove 87, Lazy River 86-87, Japanese Garden 86, Port Charlotte Village 86, Foxwood 86, Tri-Par 85, Winds of St Armand's 86, Ridgewood 86, and Trailer Estates 84. Holiday Park tries to maintain an 86-degree temperature in both pools. Certain times of the year when you have a 60-degree ambient air temp overnight and 90 degrees during the daytime it is difficult to maintain a steady temperature. When you add rain into the pool it drops the water temperature. At this very moment,
May 6th, 8:30 am the phase 2 pool is 86 degrees. If the pool temp hits 88, which it will by early afternoon the chillers will turn on to help maintain temperature. If a pool goes over 92 degrees, the health department can shut it down as algae will begin growing in the water. The phase 2 pool will be resurfaced at some point over the summer or fall. Waiting to get the schedule from Galaxy pools.
All Weather Roofing will be replacing the roofs on the phase 2 building and the ceramics building. This will give us new roofs on all buildings with a 20-year warranty. Hopefully this work will be done by August.
The contractor bids for the main hall remodel should be in by June 1 and the trustees can decide who will be doing the work. Nothing is impossible, the word itself says "I'm possible" --- Audrey Hepburn
Sincerely, ***Bob Duncan***, CAM, District Manager

TRUSTEE REPORT

This is the time for the District, to do Spring cleaning and get ready to empty the PH 1 building for the renovation. We need the Men's Club, ARC, Just us Girls, the kitchen experts, etc. to begin going through the various storage areas and clean out unused items so we can begin to evaluate what storage is available. Packing should begin now for things that need to be moved for the renovation. We really would appreciate everyone's assistance on this project.
We had the color palettes at the last Trustee meeting and asked for input from the residents. The choices were beige/brown, green and blue. It appeared that our residents decided it was between the blue or the green. There was not a clear choice. The Trustees voted and it was very close but the final choice was blue. The architect needed this decision to begin ordering what was required.
Trustee bylaws allow us to have the Trustee Secretary, assisted by a corresponding secretary (who is not a Trustee), to take minutes at Trustee meetings. I feel it is very important for the Trustee who is Secretary to be able to participate actively in the meetings and have a corresponding secretary take the minutes. Therefore, we need a resident who is qualified to do minutes to assist the Trustees. Deb Good, a Holiday Park resident, has volunteered to help. She did an excellent job on minutes from May 12th. However, she is gone for the summer and we will be having summer meetings when necessary to keep the PH 1 building on track. It would be great if we had two volunteers to assist the Trustees in the future. Anyone interested in volunteering please call Karin Anderson at 941-266-5883. Thanks for possibly considering to assist us.
The Board of Trustees is planning for needed repairs and capital improvements that will require a slight increase to our monthly maintenance fee. The new maintenance fee will be $124.68 a month for fiscal year 2022-2023. **This is a $3 increase**. For those who aren't aware, we have had several air conditioners quit and we will be replacing 2 more roofs. Our pools are aging as well, and will require some costly maintenance at this time. Needless to say, our park is aging and we must be proactive and address the issues.
On June 1st the bids for the PH 1 building should be delivered to the District Manager and shared with the Trustees. Because we will have so many Trustees on vacation, we will have two special regular meetings without a quorum. We will not be voting, just discussing the bids. These meetings will be held **May 31st** and **June 7th** at 9 am.
The next special meeting with a quorum will be June 14th at 9 am. We will discuss the bids and hopefully choose the builder at that time. The tables at these special meetings will be set up U-shaped to increase discussion/communication.
We were lucky to have two candidates apply for the Trustee seat 8 position.
Donna Mills is our new Trustee for seat 8. She retired from Chrysler Corp after 30 years working in Logistics and Manager of the 2 billion a year Freight Payment Dept. She had a staff of 12 people. She also worked with the IT Department developing two new payment systems. She brings excellent experience to her new Trustee position. She has a Bachelor of Science Degree with a major in Business Administration. Donna has been an active volunteer with a 2nd VP position on ARC (HOA) for 2 years as well as co-chair on the summer picnics and other events.
Maria Stewart applied for the seat 8 Trustee position as well. She is a really positive resident, recently retired from her career, and is looking forward to volunteering in the District. We appreciate enthusiastic experienced residents. We look forward to working with her in the future.
Donna Mills as new Trustee seat 8 was assigned Trustee, Communications and Technical Support. The job description is below. Donna will be working closely with a Communications Committee appointed by the Chair. We will probably have 4 to 5 committee members. Presently, Kim Branch and Sandy Hopkins have agreed to be our first committee members.

HOLIDAY PARK SAFETY & PROPERTY MONITORS

I want to encourage residents and staff to work together to keep our park safe. The North Port police have ADVISED US not to hesitate to call 911 for any SUSPICIOUS activity. Please do not call the Park staff in place of 911. Our night staff are PROPERTY MONITORS. They wear the same easily recognizable blue shirts as our maintenance crew. The Holiday Park truck has blue signage worded HOLIDAY PARK PROPERTY MONITOR. Their job is to patrol the park and call 911 if they observe any suspicious activity. They have been advised to avoid any confrontation. If you contact the property monitors or myself regarding suspicious or blatant criminal activity, we will advise you to call 911. Please feel free to notify the staff after you had called 911. Please contact me if you have any general safety concerns.

HOLIDAY PARK LIBRARY

Hi! I am Linda Gibson, the new Holiday Park librarian. I have been a resident of Holiday Park since late 2012.
I retired from Penfield Library at the State University of New York in Oswego, NY (my hometown) in 2003 after 37 years. I was a Senior Library Clerk in Technical Services. The majority of my career was in Acquisitions where I ordered the new materials and handled the receipt of gift books.
Our new, dedicated library was opened on November 1, 2021. I am very proud of it. The non-fiction and fiction titles have been separated; the fiction hardcover and paperbacks were separated too. We also have dedicated shelves for romance, westerns and large print titles. Our puzzles are in dedicated cabinets, separated by size.
Due to the lack of shelf space, there are NO duplicate titles. All of the fiction titles are in strict alphabetical order by author and then by title under the author's name.
Non-fiction is loosely separated by subjects — biography, history, politics, etc. We have a great selection of cookbooks!
We also have a nice selection of DVD's.
Please do not shelve books yourself. Place them on the metal cart provided. You may also put donations on this cart. Do stop in to check out our new library.

These people are those who have no other source of transportation. Rides for North Port residents are free and you can get a lift to Port Charlotte, and Venice as well as North Port. Shoppers, however, must limit their shopping to stores in North Port. You can call an answering service between 9am and 3pm daily at 941-474-8802 the day before you need to make a trip and a van will pick you up at your home and drop you off your destination. If you need more information, go to www.fishofnorthport.org.

MEMORIAL BRICKS

To my fellow park residents, I would like to call your attention to the ledger encased in a glass covered podium at the left of the entrance to the main hall. This ledger contains all the information printed on memorial bricks, flags, benches etc. donated by residents, friends and family members to honor loved ones in our park. Those loved ones have been people, critters, musical instruments and even shamrocks!
This book is very special but the memorial pathway leading up to the Gazebo on Tuscola is equally special and visually stunning! I encourage one and all to take a few minutes to view the book and walk and enjoy the 205 bricks on our pathway. Many special memories and people in this park's history are forever captured on this walkway. If you would like to purchase a brick for our Memorial Brick Garden, please contact the office for a form.
Sincerely, ***Frank Lampe***

Nonagenarian (noun):

A person who is from 90 to 99 years old.

Lola Van Woert celebrated 98 years on April 26th & Bob (the colonel) Hall celebrated 96 years on May 2nd. Lola & Bob were each honored by Holiday Park residents as golf carts & bikes paraded to the honoree's home on their birthday. A rousing rendition of "Happy Birthday to You" was sung along with congratulatory shouts & noise makers. Both Lola & Bob were very surprised and touched and both would like to send a heartfelt thank you to our fantastic park residents.
