Greetings Neighbors & Friends:

I regret that I find it necessary to address the following topic in this, my first newsletter article as your new HOA President. I never imagined that it would be necessary in an "ADULT" retirement community. The public "facilities" in Holiday Park are just that. "PUBLIC"! They are for everyone's convenience. That said, last Sunday morning, after the Kim Jenkins dance, it was brought to my attention that an unknown individual left an unspeakable mess in the Phase 1 main Men's Rest room. (So unspeakable I cannot bring myself to provide more specific detail) It was disgusting to view and more disgusting for the Park employee that had the unpleasant task of cleaning up after such an inconsiderate individual! I honestly hope that I never have to address this topic again. PLEASE KEEP THE REST ROOMS CLEAN FOR THE NEXT USER!

Now to the intended purpose of this President's Letter:

As I sit down to write this, my first article as your HOA President, I am honored and humbled. I look forward to serving all the residents, owners and renters alike, with the goal of continuing the great tradition of the former Presidents that I am privileged to follow.

I would like to take this opportunity, as Holiday Park's new HOA President, to express on behalf of Holiday Park's residents, their appreciation and gratitude for Mary Margaret Bryant's many years of service as a Council member and President of Holiday Park's Homeowners Association. Mary Margaret has served Holiday Park unselfishly, with commitment, compassion, and good judgement. It is now time for Mary Margaret to enjoy a well-deserved reprieve from the responsibilities she so faithfully preformed. It is time for Mary Margaret and Rolfe to enjoy park life together. On behalf of ALL Holiday Park residents, "Thank You Mary Margaret and Rolfe for your

many years of service to Holiday Park and its residence." You both have made us proud! Now relax and enjoy life. You both DESERVE it!

Thank you Mary Margaret Bryant for your years of service as president of the HOA.

I would like to thank the departing Council Members and introduce their replacements.

Hal Strang will assume the responsibilities of Dick Colin, who served as Sgt. at Arms for the HOA for many years. Hal is no stranger to his responsibilities, since he has served as Sgt. at Arms for the Men's Club. Thank you, Dick, for your many years of service as the HOA's Sgt. at Arms.

Leonne Bombardier will assume Jim Oliver's responsibilities for Park Beautification, as well as overseeing the HOA Storage Building. Jim served for many years in this position and generously contributed his time and talent to improving the appearance of our community. Thank You Jim.

Joni Anderson will be stepping in for Joan Mayer as the "Official Greeter" of new residents in Holiday Park. Thank You, Joan, for your willingness to play such an impor-

tant role in our community.

Welcome Donna Mills, 2nd Vice President, who is new to the HOA Council and is assuming responsibility for the Park Dinners.

Kathy Bachman is not new to the HOA, or Holiday Park, but her responsibilities are new to her. As the new 1st Vice President Kathy will be responsible for dances and entertainment, which includes the annual New Year's Eve dance.

Finally, Yvonne Warner will move from 1st VP to Treasurer.

As your new HOA President, I am looking forward to working with these new officers and Board members, as well as the returning HOA Council Members. Thank you, Donna, Kathy, Yvonne, Leonne and Hal for agreeing to serve Holiday Park's HOA!

The New Year's Eve Party was a sell out and all whom attended had a grand time. "Dick and Kammy" didn't disappoint the party goers with their music. The dance floor was occupied throughout the evening. The good time was enhanced when North Port's finest walked into the Hall at about 11:15 pm! No, they were not Chippendale's--as many of the ladies were hoping. It seems that a happy party goer "butt dialed" 911!! Yes,

that was the real reason that the North Port Police appeared on the dance floor. It wasn't because there was a fight, as the uninformed rumor mill would have you believe. I know, the truth isn't as much fun as the rumor!! Oh well... A short while after the Officers departed, Polly and her helpers treated the attendees to "Polly's Famous Sweet Rolls". Yes, they were every bit as good as they looked! Thank You Polly and crew for the special treat.

I want to encourage our readers to carefully review this newsletter for details of upcoming HOA sponsored activities. Pay attention to the HP Olympics Schedule. Thank You to ALL the volunteers that make the Olympics possible. Just one more reason Holiday Park is so special! There are so many activities that everyone should be able to find something to satisfy their individual interest. Thank you to the volunteers who make all the Park activities possible. It wouldn't/couldn't happen without YOU!

The New Year Eve Party was followed by two dances in January. "Kim Jenkins" and "David Daviski" entertained to full houses. Their music was enjoyed by all who attended. This was Kim's first appearance in Holiday Park, and I am sure it won't be his last. David Daviski is not new to Holiday Park and, based on the full dance floor, he will be invited to return at some future date. I'd like to thank those who attended either, or both dances, for supporting your HOA. Your participation is very much appreciated. If you enjoyed the two January dances let Kathy Bachman know so she can arrange for the return of one, or both, of the entertainers.

February is Olympics Month in Holiday Park. If you are reading this and didn't sign up in January, it's too late to participate in this year's Olympics activities. However, it isn't too late to consider signing up for the 2021 Holiday Park Olympics! The Olympics will be during the month of February, watch for details elsewhere in this newsletter.

AARP Tax Preparation will be available to residence on Monday's from now through to the end of the tax season on April 13th. The HOA February meeting is scheduled for February 18th at 7 pm.

Music by the Pool is scheduled for February 12th from 3 to 5 PM.

Remember, the speed limit in Holiday Park is 15 MPH! That applies to EVERYONE! We stress this for YOUR safety, and the SAFETY of ALL Park Residence. Tuscola Blvd. is NOT a racetrack! Time after time I witness vehicles entering the Park, and as soon as they clear the gate the race is on! Why? I don't know! PLEASE SLOW DOWN WHEN DRIVING IN YOUR PARK! PLEASE!!! THANK YOU!

As has been emphasized so often in this newsletter, "DO NOT FEED the wildlife in Holiday Park. Especially the alligator! Florida law makes it a crime to feed wildlife of ANY KIND! And yes, squirrels WILL attack you for food if they become accustomed to humans. And they do!

When you ride bikes, don't do so three abreast! That's asking for problems! Remember, bikes, golf carts and pedestrians must obey the law as do drivers. Because we live in a gated community, we aren't exempt from obeying the law. I bet you didn't expect to see this in my newsletter article did you! Well, get used to it or slow down, obey the law and it won't be necessary. As Helen Keller said, "Alone we can do so little, together we can do so much."

See you around the Park!

John E. Rabideau, President Holiday Park HOA

The deadline for filing as a candidate for Holiday Park Trustee was January 10. Trustees Anderson, Bachman, La Master and Gortz filed and are unopposed. They are deemed re-elected for another two-year term. Trustee and Board Secretary Dorlis McKinney retired, and two candidates have filed for her seat. Those candidates are Kim Branch and Jim Oliver. Voting will take place run by the Sarasota County Supervisor of Elections on Tuesday, March 17 in the HP Main Hall in Phase 1. Residents who are registered to vote from their Holiday Park address are eligible to vote. Results will be available that evening. Candidates will be invited to give a three-minute presentation at the March 12th Trustee meeting which begins at 7 pm.

Newly elected and returning trustees will take the oath of office at a special meeting on Thursday, March 19th, followed by the annual Organizational Meeting at which trustees elect officers for the coming year. Please attend these meetings and all Trustee meetings if you are able.

The Board has been fortunate to have the good counsel and participation of Dorlis McKinney as trustee for these many years. She served as secretary to the Board and handled this difficult task with diligence. Rarely has the Board had to modify her notes. Dorlis also gave the invocation before meetings. She wrote each individual invocation for the times, always a thoughtful and meaningful preamble to our meetings. She will be missed at the table, but we are hopeful that she will attend meetings regularly and offer her welcome advice. Dorlis, thank you for your years of dedication to our community. You have helped make this a better place to live.

Last year we found that a sister Special District lost a court case in which the court said that the enabling legislation forming that park granted the trustees the authority to enact rules and regulations but the bill did not grant them the authority to enforce those rules. Doesn't make sense, but in my experience, judges don't always make sense. Well, we were concerned that the ruling could also apply to Holiday Park since we have the identical language as that community in our founding legislation. If upheld, this could prove disastrous in that it would permit nearly any rule not in our deed restrictions to be unenforceable. We could not enforce weed ordinances, parking and speed limits, junk cars etc. We determined that our community was at risk. To correct this possible problem, we had our law firm draft correcting legislation and hired a lobbyist to shepherd the bill through the Florida legislature. The bill has been introduced as HB617 and will be in committee hearings in Tallahassee soon. Several of your trustees will appear at the hearing to testify as to the need to correct this error in the original bill. Voting on the bill will take place in March.

While all of this is going on, please enjoy our wonderful weather and fantastic facilities. Speaking of facilities, you know you can always find me at the deep end of the pool!

Holiday Park Office

EDUCATION FOR HOLIDAY PARK HOMEOWNERS WHO RENT THEIR PROPERTY

It was apparent at our informational meeting on November

14, that a few of our residents did not know the existing Holiday Park rental guidelines. The Holiday Park Deed Restrictions, on page 11, require residents to submit a written application for the approval of their rentals. This application asks for information and supporting documentation including, but not limited to, verifiable proof of age(s) of proposed occupants, pets, etc., for Trustees to review and approve or deny. This must be accompanied by a \$50 administrative fee. Those who have rental properties must submit an application for approval for each rental. If it is a continuous rental that renews each year, they must submit only one application and one fee. Each year they must re-certify the application and the new date is recorded. If the rental period is less than a year, it requires an application for each rental period with the appropriate application fee. Also, Holiday Park General Rules and the Deed Restrictions require that all Holiday Park renters be registered at the Park office.

All renters and residents are required to be registered and have a name badge to access facilities and activities in the Park.

Any homeowners who presently have renters who have not filled out the appropriate application, please come to the Park office and pick up application forms for submittal.

All homeowners in Holiday Park, when purchasing property, agreed to abide by the Holiday Park Deed Restrictions. They are enforceable, and will be enforced.

The Homeowners Association, Men's Club, and Just Us Girls will be checking renters' and residents' name tags when selling tickets to various activities.

Karin Anderson, Trustee

BICYCLE REGULATIONS

Note for residents in Holiday Park. Two items from the 55 Alive Driving Class that are especially pertinent in Holiday Park. GOLF CARTS AND BIKERS MUST FOLLOW THE SAME RULES AS CARS. GOLF CARTS AND BIKERS MUST RIDE ON THE RIGHT SIDE OF THE ROAD AT ALL TIMES. A 3-foot clearance between each vehicle. Also, all cars going by or around bikers must leave a 3-foot clearance. Please keep this in mind when traveling in Holiday Park. A simple test in your own driveway, is to layout something the height of a biker or vehicle and sit behind the wheel of your car.

The Men's Club shed in PH 2 will now be open, Monday, Wednesday and Friday mornings, from 9 am till 12 pm for small item sales. To donate large items as in furniture please call the Men's Club for pick up.

941-993-3021

Please DO NOT leave ANY items by the PH 2 shed doors after regular days and hours the shed is open! The Men's club doesn't want your broken, rusty junk items that we cannot resell. The North Port city trash pickup system allows for TWO FREE pickups per year. Please utilize this system instead of the midnight drop-offs of trash we have to deal with frequently. Thank You for understanding.

Brett Mounsey, Men's Club President

MEN'S CLUB PICNIC: FEBRUARY 15TH

Tickets will be sold in PH 2 library from 8 – 10 am on Mondays and Tuesday's. The dates for February picnic sales are Feb. 3rd, 4th, 10th & 11th. I will only have limited amount of tickets at the regular meeting on Feb. 13th due to having to order supplies. Men's Club membership may be purchased at this time

also; membership is required for men buying tickets to picnics. Please show your membership cards to the person selling tickets. As always, single ladies can buy tickets without a membership card. Please note the changes in the days of the week and the times of ticket sales. The change makes picnic and Men's club Membership sales at the same time. Tickets Sales will end at 6 pm on Feb. 11th.

PARKING FOR PICNIC'S

If you come by golf cart, please park all the way back behind the trees where people have their tables and chairs set up. If you have set your table and chairs near the shuffleboard courts, please park along the side of the courts. DO NOT drive golf carts on the pavers in the sidewalks between the parking lot, the shuffleboard court and the kitchen. Golf cart parking is also available in the designated spaces of the parking lots in front of the club house and on the side of the club house. The change in parking for the picnic is to give the workers room to get from the charcoal cookers to the serving tables and to the beverage area. Please do not park in spaces obviously designated for cars. The entry ways will be the same as always—on both sides of the big tree. Please abide by the NO PARKING lines. Sometimes golf carts, scooters, bikes and cars are parked on these painted lines which mean NO PARKING in this space. This is important so that there is always access for emergency vehicles if they are needed. It's important to remember that all residential lots in Holiday Park are private property and require permission from the owners if you want to walk across their property or park on their property.

MEN'S CLUB VALENTINE'S BREAKFAST

We will have 9 am and 10 am seating's on February 14th at PH 1. Please do not come more than 15 minutes early. No Tickets will be sold after January 27th. There will be NO exceptions.

Greetings Fellow Photographers! I want to take this opportunity to again extend Congratulations to the winners, and acknowledge ALL the participants, of the 2019 Computer Club Photo Contest. Without your participation there would not be a Photo Contest! There were 21 photographers that actively participated; these individuals submitted a total of 136 photographs in 8 categories. New for 2019, the photographs were displayed on the back wall of the Phase 1 Main Hall for a period of approximately 3 weeks. This was very well received by the all that had an opportunity to see the display. I'd like to thank Park Manager, Tess Schofield, for agreeing to the display. "Thank You Tess!"

The following are the rules and **NEW** categories for the 2020 Holiday Park Computer Club Photo Contest. **PLEASE READ THE FOLLOWING VERY CAREFULLY SINCE THERE ARE NUMERUS CHANGES.**

WHO CAN PARTICIPATE? Any resident of Holiday Park, **owner or renter**, may participate in the HP Computer Club Photo Contest. It is not required that you be a member of the Computer Club to participate in the Photo Contest, although we'd welcome your membership!

Previous winners are welcome. However, you may **NOT** resubmit a previous winning photograph. This applies to 1st; 2nd; and 3rd place as well as Honorable Mention. **NO EXCEPTIONS!**

Submitted photographs **MUST** be the work of the individual submitting the photograph(s) and **NOT** from other sources, i.e. the internet or other photographers. **EXCEPTION:** IF the HP Computer Club decides to print photographs for the participants, as was done in the 2019 Contest, this will be the **ONLY EXCEPTION.**

This year there will be two (2) classifications for photographers:

Beginners: A "Beginner" is an individual that has **NEVER** participated in a Photo Contest or won a prize for a photograph that they took.

Advanced: An individual that has, at one time or another, participated in a Photo Contest and was awarded a prize, regardless of the significance of the recognition. A recognition of some type was awarded places the participant in the Advanced Classification.

There will be eight (8) categories for this year's contest. They are as follows:

Black & White: Any subject that the photographer chooses to submit that is **NOT** color. **IT must be in BLACK & WHITE ONLY.**

Plant Life: Living or dead, not blossoms only but a "PLANT".

Transportation: Cars; trucks; bicycles; horse drawn carriages/buggies; scooters, etc. The subject **MUST** be related to some form of transportation. Let your imagination run wild!

Sunsets: NOT sunrises.

Children:

"Left Behind": This can be anything that has been abandoned. Old cars, trucks, boats, bicycles, toys, buildings, etc. It doesn't matter as long as the subject of the photograph is no longer being used.

Antiques:

Animals: Deer, squirrels, spiders, snakes, etc. Birds "ARE NOT" animals. Pictures of birds **WILL NOT** be accepted if submitted.

Do not be concerned about the camera equipment you may or may not have. Any type of camera equipment is acceptable. "Point and shoot" cameras; 35mm SLR cameras; cell phones; I-pads; disposable or one-time use cameras. If it takes pictures it is a camera and it is acceptable!

At the time of Judging the Judges will have the option of disqualifying a photograph, if in their opinion, the photograph submitted does not fit the category it was submitted in. It is, and will be, the responsibility of the submitting photographer to select the appropriate Category for the photograph submitted. The decision of the judges **WILL be FINAL!**

The number of photographs per category shall be limited to two (2) per contestant. **NO MORE** than 16 photographs per contestant shall be allowed. There will be **NO EXCEPTIONS** to this rule.

Entry forms will be provided. **PLEASE, DO NOT** write on the back of the photographs or **tape the entry form to the back of the photograph(s)** submitted for judging.

ALL photographs **SHALL** be printed on **PHOTO PAPER** that is 8 x 10 or 8.5 x 11; glossy or matte; with or without borders. Photographs printed on "card stock" **WILL NOT** be accepted. Printing can be done at home, at CVS, Walgreens, Walmart, Staples or by a member of the HP Computer Club if they agree to print photographs again this year. There will be a nominal charge to cover HP Computer Club expenses.

Important information such as, photograph submission dates, judging and award dates will be in future newsletter articles.

GOLF CART PARADE 2019

What a grand time at the Golf Cart Parade. There were 24 entries not as many as previous years. There are so many people that volunteered to make the golf cart parade a success in case you didn't know Carl Schmeltzer was Santa and Jean Collette was Mrs. Claus thank you so much. Santa was a big hit with Anne Smith's granddaughter, it was a Kodak moment. Santa and Mrs. Claus were riding with Ed

Reynolds in his golf cart, thank you Ed. Dick and Mariann Underdown were our Grand Marshals. Dick was born in Boston Massachusetts on 12/26. His dad was in the Navy. He grew up in Quincy which is the known as the city of presidents it is the birthplace of two US president John Adams and his son John Quincy Adams, also birthplace of John Hancock, the first signer of 'Declaration of independence'.

At 10 years old Dick's family moved to Rockland, Massachusetts. He attended Cardinal Spellman High School and was in the first graduating class. He attended Northeastern University for one year and then join the Air Force. He was a nuclear weapons expert. He was stationed in Albuquerque New Mexico where he did repairs and bombs and warheads. After 3 1/2 years of service he attended college and majored in electronical engineering and received his degree and went on to get his masters.

He graduated from the officer training school and was assigned as a lieutenant. Dick retired January 1, 1986 as Major With 23 years of service in the Air Force.

He moved to New Hampshire where he continued to work in this field for Sanders Associated for the next 21 years until his final retirement and 2007.

Mariann was also born in Boston on September 8 the

youngest of her siblings of five girls and two boys. She grew up in South Weymouth Massachusetts which is the second oldest settlement in Massachusetts only to Plymouth. Mariann grew up there and graduated high school. She worked for Prudential Insurance in Boston. She spent three months in New Jersey to learn their systems. And she got the biggest birthday present when Prudential moved into their new high-rise building on her birthday her co-oworkers joked with her and said happy birthday Marianne.

She and Dick met on a blind date set up by a friend who is dating a friend of Dick's. Dick had a car. He said it was love at first sight. They were married January 6, 1968 in the middle of a blizzard (I can attest to that our oldest daughter was born during the same blizzard.) Mariann was planning a June wedding but plans change when Dick was assigned to Albuquerque New Mexico. Mariann became quite proficient at packing and unpacking, they moved every four years during Dick's tenure in the Air Force traveling from Hanscomb in Massachusetts to New Mexico. Mariann worked as a building manager in charge of business rentals in the renovated Chelmsford Mills in Massachusetts. They found their way to Holiday Park after visiting a friend in Nokomis. They worked their way south visiting all the over 55 communities and decided on Holiday Park in 2004.

Mariann has spent 10 years on the HOA with the food bank and room six, she volunteers wherever needed. Dick has been president of the men's club for the past 10 years. The Underdowns got involved in the Holiday Park New England days and they got to meet people that knew people from back home in New Hampshire and now they are great friends.

Mariann and Dick celebrated their 50th wedding anniversary last year. They have three beautiful daughters and seven grandchildren.

COMPUTER CLUB

Our meeting held on Tuesday Jan 14th has raised many questions and concerns about the future of our group. There are many different levels of skills in this park pertaining to electronics and the changing habits of their uses. There are Smart Phones, Tablets, Mac, Windows, Chrome Books and many that have

good knowledge of how these all work. In our 55 and older community we are at many levels of ability to know how to use and adapt to the changing world of technology. If you are able to help Teach us on these new devices would you come forward and share your knowledge? There are a couple classes going on now, one for Genealogy that is very popular and also a class to help with setting up your files and folders. But there is so much more that you can show us and educate us to advance our skills and abilities.

We encourage the new younger residents to step forward and share their talents. There are many ways that this can be done either with organized classes or one on one sessions. Come and check us out and maybe you will join us or offer your knowledge to share.

Our meetings are open to all and often include speakers. If you would like to attend a class there is a \$15 fee.

MODERN LINE DANCE CLASSES

JANUARY TO APRIL, 2020

Modern Line Dance – Tuesday Afternoons We are off to a good start for the 2 different level line dance classes. Glad to see so many returning, and to see new faces at both classes! Music for both classes is a wide variety of genres of music – not just country! And of course, we dance different rhythms - waltz, tango, cha-cha, rumba, mambo, etc.

1 pm. Class. The first class at 1 pm. is a class for those who have had previous line dance experience, either with me or elsewhere, or someone who has had previous dance experience, but not line dance. We have had one week of review, and will probably have a second week of review, and then move on to some new and fun dances! If you feel that you fall into this category, please come join us! We'll save a spot on the floor for you.

3 pm. Class. This class is for people who have never line danced before, or those wishing to remain in a slower-paced class. Genres of music are the same as the first class. We have one gentleman who is being very brave to come into a class with all of these ladies! So, all you men out there, you can be just as brave as he. Come and have just as much fun as the ladies do! Several empty spots have your name on them!!

All communication is via e-mail, so if you are not already on my e-mail list and wish to join us, please e-mail me at **dancinfeetinmotion@gmail.com** to be added. Notice regarding class will be sent two days prior to class, to advise if we are reviewing or if I am introducing a new dance. The program set for the day is always posted on the website, so you have an idea of the dances proposed for that particular day.

Hope to see you on the dancefloor!
Carol Larocque www.dancinfeetinmotion.ca

MIXED BRIDGE

Time: 12:15-3:30 pm on Mon., Tues., Wed. and Fri's.

PICKLE BALL

January was a very busy month for the HP Pickleball Club. With many more players returning after Christmas the courts are full each morning. There is afternoon play now as well at 3 pm. on Monday - Friday.

On the 14th we held our first tournament of 2020. There were 40 participants with a BBQ social afterwards. It was a hot one but everyone hung in there for the duration of the tournament.

A clinic for new players was held on the 15th with 9 participants. It's so nice to see new players come out and give this great sport a try.

Our next tournament will be Saturday, February 1st. Please note that the phone number for Stuart Buck is incorrect in the directory and it should read **215-715-4685**.

Susan Buck

PINOCHLE

The pinochle group is meeting in the activity room (computer) room in PH 2. We will still be meeting only on Friday evenings at 6 pm. For more information call **Suzanne Mancha 443-789-1015**.

SHUFFLEBOARD

The excitement is starting to build as the Olympics are drawing near. Holiday Park Olympics #8 will start on Mon., Feb..10th and end on Mon., Feb.. 17th. Shuffleboard is scheduled to play Tuesday, Feb..18th @ 9 am. Information will be posted in the display case.

Closed shoes should be worn to protect your feet. The shed is always open so you can have access to all the equipment. Please put it away when you're done.

We play Mon., Weds. and Fri.. @ 9:30 am. Please be there 15 min. early so we can draw sticks. We do not play if it is under 55°. Come on down and practice. I am sure that some of our seasoned players will help you grasp the concept of the game. See you on the courts.

Bev Borkowski 564-6450

SOCIAL GUITAR

Social guitar playing will begin on Tuesday evenings in PH 2 Library from 6:30 – 9:30 pm. This will occur during the months of Nov.. through the end of Apr.. (except for the holiday weeks). Please bring your guitar and come or just join us and sing along.

SWIMMERCIZE

Swimmercize, the low impact aerobics class in the pool in the Phase 1 pool at 10 am. If you are facing joint replacement, have had joint replacement, or just need to get more flexible, this is a class for you.

Classes are held on Tuesdays and Thursdays from 10-11 am. in the Phase 1 pool. An hour of aerobics is much easier in water as water keeps much of the stress off the joints of hips and knees while allowing you to work out. Therefore, running, jumping, twisting, flexing, turning can be done by people of any age while your body is in the water.

The class has primarily always been for women, but a few

men have joined in now and then. We do not have classes in the "winter" if the temps are below 60° degrees, or when there is thunder and lightning.

Stop in and see what you can do! Thanks,
Carolyn Olds

TENNIS CLUB NEWS

Following the January meeting, the Gasparilla Pirate Tourney was held on January 11th. All hardy participants had fun, and everyone was well-fed afterwards, courteous of the Social Committee and volunteer chefs. A selection of soups, chilies, salads and desserts satisfied all athletic appetites.

All teams are competitive in their respective leagues. Club membership has increased, which means the courts are busy, plus the ball machine is going non-stop. Thanks to Andy George for picking up new balls for the "green machine".

Friendly Reminder: It's a standing policy to let the Social Committee know if you have company who plans to attend a tennis function. A monetary donation from family should be made to cover the cost of your company's food.

Upcoming Event: Valentine's Day Love-In Tournament.
