

**We hope everyone feels great after their first covid-19 injection.**

**We have changed the process to address the problem of timing with the Health Dept., the issue of the backup in the process, and eliminating the confusion on arrival time and intake.**

**Every one now has an assigned number and an assigned time. We will be taking everyone in that order. April 20<sup>th</sup> is the date for your 2nd shot.**

**DO NOT ARRIVE BEFORE YOUR ASSIGNED TIME. IT WILL CAUSE BACKUP AND YOU WILL BE WAITING UNTIL YOUR NUMBER IS CALLED.**

**We want the process to be smooth and fast and fair for all our residents.**

**PLEASE note your TIME AND NUMBER on the listing. You are to arrive at that time.**

**Wear a mask, bring your drivers license and your white COVID-19 Vaccination Record Card. You cannot get the 2<sup>nd</sup> vaccine without that card.**

**LOOK FORWARD TO SEEING YOU THERE AND KNOW HOW GREAT IT WILL FEEL FOR YOU TO BE PROTECTED.**
